

Soft PMF

Soft PMF is a Palm Mid Fraction (PMF) produced by the multiple fractionation of palm oil.

It is ideal as a palm based ice cream fat and as a milk fat replacer. It is also very suitable for use in chocolate covered centres as an alternative to lauric fats.

Product Range

- ✓ SPMF 3
- ✓ SPMF 4

Benefits:

- Can be used in multiple industries including the bakery, confectionery and ice cream industries
- Halal and Kosher certified
